9. Comments from Alderman

Joe said the 3'x6' hand painted banner is ready to be hung in the City Hall Building.
Joe is strongly against the Fletcher Extension- reference audio for lengthy comment.
Henry would like eliminate spots where mosquitos are congregating.
Arthur thinks the Fletcher Extension is a good idea to eliminate traffic.
Tommy would like for the city to purchase a tractor and boom. He also would like the small street signs replaced with bigger signs at the intersection of 412/Maestri Road.

10. Comments from Mayor

Parking lot is close to completion.
Holes in streets have been patched.
Overlays will start in July.
Estimates for a new pavilion will be discussed at the next C.O.W. meeting.
A family member to Henry and Joe past away earlier, please keep them in your prayers.
