New, Used, Certified, Demo and Courtesy Vehicle Vehicles MPG estimates on this website are EPA estimates; your actual mileage may vary. For used vehicles, MPG estimates are EPA estimates for the vehicle when it was new. The EPA periodically modifies its MPG calculation methodology; all MPG estimates are based on the methodology in effect when the vehicles were new (please see the □Fuel Economy□ portion of the EPA's website for details, including a MPG recalculation tool).

The features and options listed are for the new 2020 Ford Super Duty F-250 SRW and may not apply to this specific vehicle.
